

# Is Apex Technical School Right for You?

Are you ready to take the next step in life by advancing your education? Whether you're a recent high school graduate or interested in switching careers, you can prepare for the future with hands-on technical training.

**START YOUR JOURNEY TO LEARNING A TRADE**

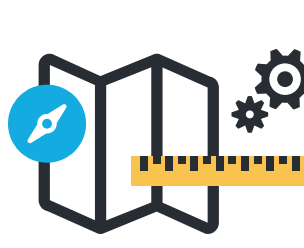

## GET TO KNOW US

Schedule a visit to see the school.

Meet with an admissions representative and receive an information package about the school.

Tour our shops and view the equipment.

Observe other students as they work under the supervision of our instructors.

## PLAN YOUR EDUCATION COSTS

Meet one-on-one with a financial aid representative.

Receive financial aid information. For students who qualify, financial aid for trade school (grants, loans, and work-study) may be available.

## EXPLORE OUR PROGRAMS

Find a trade that fits your schedule, passions, and career goals. Choose from seven 900-hour courses to help you build entry-level trade skills and knowledge.

**AUTOMOTIVE SERVICE & REPAIR**

**AUTO BODY REPAIR**

**ELECTRICAL**

**PLUMBING**

**A/C & REFRIGERATION REPAIR**

**WELDING**

**CONSTRUCTION**

## THINK IT OVER (Decide What Is Best for YOU)

Review the admissions information package you received with your family.

Review any information you received from the financial aid representative.

## ENROLL IN YOUR PROGRAM

Schedule a second visit with your admissions representative if you decide to apply to Apex.

Get answers to your questions about enrollment, training programs, how to prepare for your first day, and more.
